06 PRESENTATION DESIGN

01. Logo

The logo will retain its
current form, remaining
unchanged

02. Fonts

Mixing "classy meets modern" our fonts combine a timeless serif with a sleek sans-serif.

PRIMARY FONT

MONTSERRAT

Headlines - Text

It will be used for
headlines in the
medium variable

This is a paragraph with lots of
text to read. It's easy to follow
and has a great legibility. This is
the regular variable.

04. Graphic Elements

Every brand needs that one element,
the glue that stitches the design
together seamlessly.

The roof's element is transformed to modern arrow based icons.

The usage of pills normally found in digital or UI design to add a modern sensation to it.

05. Design In action

Seeing our design in action is where the magic happens. Here, you'll witness how our guidelines breathe life into real assets.
